

NOTICE TO TAXPAYERS – ASSESSED VALUE REVISIONS

Milton Township, 2025 Assessed Values

Required Level of Assessment: 33.33%
Median Level of Assessment for the Township: 30.73%
Valuation Date: 01/01/2025

Relevant Real Estate Sales Information Used to Develop the Equalized Assessed Value: Sales Occurring Between 01/01/2022 – 12/31/2024

Your property is to be assessed at the above listed median level of assessment for the assessment district. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review.

Illinois law requires assessed values of property, other than farmland and coal, are to be assessed at 33 1/3% of fair market value. Restrictions within Illinois law delay the change in property assessments caused by changes of actual property fair cash value. State law requires the assessed values are to be adjusted based upon data from the three prior calendar years before the assessment date. In appreciating markets, this forces current property assessments to lag behind recent sales prices. In declining markets, the decline of current assessed values is delayed.

Contact your local assessor’s office to review your assessment if you believe the fair cash value is incorrect or you are not assessed uniformly with comparable properties in your neighborhood. A physical description of the property, which includes information used by the Township Assessor to create the assessed value, is displayed on their website. Please review this information for accuracy. Township Assessor Contact Information:

Office Address: Milton Township Assessor
1492 N. Main Street
Wheaton, IL 60187
Typical Office Hours: 8:30 a.m. – 4:30 p.m. Mon.- Fri.
Phone Number: 630-653-5220
Website: www.miltonassessor.com

After reviewing the assessment with your assessor’s office, if you are still not satisfied, contact the DuPage County Board of Review at 630-407-5888 for an appeal form and a copy of their rules OR visit their website at www.dupagecounty.gov/SOA/. There is an appeal deadline. You must file your appeal within 30 days of the assessment publication date. Dependent on the actual publication date(s), the estimated appeal deadline is November 24, 2025.

Assessed values are one of the three variables which determine individual property tax amounts. The other two variables are homestead exemption amounts, if any, and property tax rates. Tax rates are determined from the budgets of all units of local government supplying services to your property. Your tax bill is calculated by

multiplying the equalized assessment for your property (minus exemptions) by the tax rate.

Homestead Exemptions available to Illinois property taxpayers include the General (Residential), Senior Citizens, Senior Citizens Assessment Freeze, Disabled Veterans’ Standard, Disabled Veterans (Adaptive Housing), Disabled Persons’, and the Returning Veterans’ homestead exemptions. You may review information describing these programs by visiting the Supervisor of Assessments website located at <http://www.dupagecounty.gov/SOA/>.

In accordance with the Illinois Compiled Statutes, Chapter 35, 200/9-210, the following equalization factors have been applied by the Supervisor of Assessments to bring the assessment level to the current median level of assessment as stated above. All parcels including those listed below have been increased or decreased by applying these equalization factors.

FARM CLASS	
Farm Land.....	1.0000
Farm Buildings.....	1.0000
Farm Homesites.....	1.0846
ALL OTHER CLASSES	
All Residential Classes.....	1.0846
All Commercial Classes.....	1.0846
All Industrial Classes.....	1.0846

Pursuant to 35 ILCS 200/10-115, the Farmland Assessments for the 2025 assessment year will increase by 10% of the preceding year’s median cropped soil productivity index as certified by the Illinois Department of Revenue with data provided by the Farmland Assessment Technical Advisory Board resulting in a **\$51.56** per acre increase for each soil productivity index.

The assessed values herein shown are subject to revision and equalization by the DuPage County Board of Review and by the Department of Revenue. Illinois Compiled Statutes, Chapter 35, 200/17-5 provides that the Department shall lower or raise the total assessed value of the property in any county so that such property will be assessed at its Fair Cash Value as defined in the Illinois Compiled Statutes, Chapter 35, 200/9-145.

In accordance with the Illinois Compiled Statutes, Chapter 35, 200/12-25, said list, as to real estate, includes the name of the owner or of the last person who last paid the taxes on each tract, lot or land, or piece of real estate, and the amount of its assessment.
